

Ambient Backlight On

Ambient Backlight Off

No-Touch IR Sensor

## PRODUCT DESCRIPTION

The Dusk Lighted Mirror showcases sophistication and simplicity with its square matte black aluminum frame. It effortlessly complements any decor with direct light emanating through a frosted glass interior frame like never before. Ideal for makeup application and grooming, this feature ensures your reflection is crystal clear and well-lit. Bid farewell to foggy mirrors with the defogger, ensuring your reflection stays pristine even in the steamiest bathroom conditions. Toggle between different light temperatures with CCT selectability and adjust the brightness level with dimmability, setting the perfect ambiance effortlessly. Operate the Dusk Lighted Mirror easily using the hands-free infrared (IR) sensor and adjust settings or turn the mirror on or off without touching a button. Elevate your self-care rituals, revel in the spacious reflection, and redefine your space with Dusk – where classic elegance meets modern convenience in perfect harmony.
