

**More light levels to meet the demands of every end user and installer.**

NLT885TR, NLT873\*CC, NTLFULL

Installing extra nighttime convenience, control and safety is made simple with Legrand's full line of radiant® night light devices. These night lights easily replace any standard receptacle and offer adjustable light levels, as well as an optional louver for even greater light-level control. And now as part of the radiant® collection, they offer a better fit, form and finish in every hallway, kitchen or nursery.

## Features & Benefits

- **Two tamper-resistant outlets** — an industry exclusive.

Now with black "invisi-shutters" for an invisible effect preferred by end users.

**NTL885TRWCC6**

- Part of the radiant® collection.
- Five adjustable light settings including OFF.
- Hidden sensor automatically controls night lights.
- Replace any standard receptacle.
- Ideal for hallways, kitchens and nurseries.
